**GOLF MAGAZINE LIVING BESTOWS AWARD OF “BEST GOLF”  
ON REYNOLDS PLANTATION**

Greensboro, Ga. (March 24, 2006) – *GOLF MAGAZINE LIVING*, a new publication from the editors of *GOLF MAGAZINE*, named Reynolds Plantation the golf community offering the Best Golf in their debut issue (Spring 2006).

The magazine lists the 50 Best Golf Communities in America (from a pool of more than 3,600 residential golf communities in the U.S.), and then further reveals the top picks in six important categories, including Best Golf.

*“Perks include two full-service marinas, a pair of swimming pools, a fitness center, walking and biking trails, and an on-property Ritz-Carlton Lodge. But all of these bells and whistles pale next to the variety of golf at Reynolds Plantation.”*

The magazine recognizes the impressive portfolio of designers, including Bob Cupp, Jack Nicklaus, Tom Fazio and Rees Jones, and now Jim Engh, the architect of the newest addition to Reynolds golf holdings – the private Creek Club, set to open in 2007. Mention was also made of the TaylorMade Performance Lab, a state-of-the-art swing analysis lab located in The Oconee Clubhouse.

*“GOLF Magazine has recognized Reynolds Plantation as their first choice before, choosing Reynolds as the site for their first-ever Golf Dream House in 2004,”* said Bill Houghton, Vice President of Marketing for Reynolds Plantation. *“The designation as the golf community with the Best Golf is consistent with that, and we are proud of the honors our community has received.”*

In addition to adding the private Creek Club golf course, Reynolds will soon open The Lake Club – a 38,000 square-foot amenity complex offering indoor and outdoor pools, a championship tennis facility and a host of other amenities.

Reynolds Plantation was also recently honored by *Luxury Golf & Travel* with a Diamond Award as one of “America’s Top 25 Golf Communities,” (March/April 2006).

**About Reynolds Plantation**

Named the “Best of the Best” Golf Community by the *Robb Report*, Reynolds Plantation, located between Atlanta and Augusta, is a 10,000-acre golf and lake community with 80 miles of shoreline on beautiful Lake Oconee, one of the largest lakes in the southeast. Reynolds Plantation features 81 holes of championship golf from designers Jack Nicklaus, Bob Cupp, Tom Fazio, and Rees Jones, with a fifth course, designed by Golf Digest “Architect of the Year” Jim Engh, to open for member play in 2007. In addition to its championship golf, Reynolds Plantation features award-winning dining, swimming pools, tennis courts, pedestrian walking trails, three full-service marinas and a new lakefront Lake Club and tennis complex. *Golf Magazine* chose Reynolds Plantation as the site of the 2004 Golf Dream House, their first-ever attempt to build “the ultimate home for a golfer”, and *Golf Digest* has cemented that endorsement with their first-ever such home, slated to open in 2007. Many residents’ introduction to the community is a gracious one courtesy of The Ritz-Carlton Lodge, Reynolds Plantation, a 251-room lakefront resort and spa.
