TRAVEL+LEISURE GOLF COTTAGE OPENS AT REYNOLDS PLANTATION

Greensboro, Ga. (February 26, 2008) – Linger Longer Communities is pleased to announce the *TRAVEL+LEISURE GOLF* Cottage at Reynolds Plantation is now open for tours. With approximately 4,000 square feet of living space, the golf cottage, decorated by interior designer Kay Green, is the ultimate golf retreat, located along the practice facility of the Jim Engh-designed Creek Club at Reynolds Plantation.

The upscale cottage is the model for the Creek Club Cottages and is designed to exemplify a new kind of sporting lifestyle. The Creek Club Cottages take the concept of a day on the links to the next level; to the very skies, in fact. Their exclusive lock-it-and-leave-it ease means discerning players can fly in to the Greensboro FBO on Friday, indulge in the ultimate golfing weekend, and be back at home by Sunday evening.

“*TRAVEL+LEISURE GOLF* chose Reynolds Plantation for our venue because our brands are so naturally aligned,” says Ron Mulliken, vice president/associate publisher of *TRAVEL+LEISURE GOLF* Magazine. “Both represent the very best of the golf lifestyle. As our readers are looking for the best golf experience and the best lifestyle experience, Reynolds Plantation was a natural choice for us.”

Constructed by Linger Longer Homes, the *TRAVEL+LEISURE GOLF* Cottage boasts vaulted ceilings and exposed wooden frames. Stacked stone fireplaces converge to support the ceilings, adorned with creatively-used trim that make them look ornamental. Despite this heavy hardware, however, the place is soothing, peaceful and intimate.

Downstairs features darker colors, thick wooden accents, a bar and a pool table. A media room with plush leather chairs that fully recline makes it easy to imagine stepping into your own exquisitely private weekend retreat.

The *TRAVEL+LEISURE GOLF* Cottage at The Creek Club is open for tours Monday-Saturday 10 a.m. to 4 p.m. and Sunday 1 p.m. to 4 p.m. Visitors should enter at the Lake Club Security Gate off Lake Oconee Trail.
