**REVOLUTIONARY FEATURES, LEADING TECHNOLOGY MAKE  
REYNOLDS PLANTATION TENNIS CENTER A TOP 50 IN THE NATION**

Greensboro, Ga. (May 2, 2008) – The Lake Club Tennis Center at Reynolds Plantation has been named a Top 50 Tennis Welcome Center of 2007 by the Tennis Industry Association and the U. S. Tennis Association for the second year in a row.

Celebrating tennis programs that “lead the charge in the growth of the sport,” the award recognizes centers that provide “well-rounded programs...that exhibited excellent participation figures involving new and returning players, support of industry programs and community tennis development, and were active with Tennis Welcome Center facility requirements, among other criteria,” according to the Tennis Industry Association.

Helping The Lake Club Tennis Center gain such nationwide recognition is its world-class features, including four Har-Tru Hydro Courts. These advanced courts draw water from large vats underneath the surface and a valve keeps the water at the optimum level. The result is a unique, comfortable playing surface that plays slower, absorbs shock and never dries out.

“We are thrilled to earn this recognition for two years straight,” says Dave Neuhart, Reynolds Plantation’s PBI Director of Tennis. “The Lake Club Tennis Center is one of the finest facilities in the country and the tennis program at Reynolds Plantation continues to grow and flourish.”

The Lake Club Tennis Center also features the Dartfish Video Analysis software system providing state-of-the-art stroke analysis, right on the court. “With this, you can see what you’re doing on the court,” Neuhart said. “You can play it back and make an immediate correction. There is stop-action, slow-motion and simultaneous, side-by-side comparison. Players can draw on it to correct themselves.”

Awards like the Top 50 Tennis Welcome Center recognition underscore Reynolds Plantation’s commitment to bringing tennis on par with its legendary golf courses. The award is the most recent in an already impressive list of recognitions, like the Peter Burwash International Tennis Site of the Year for 2006, and Neuhart’s own PBI “Triple Double E” Award, which honors exceptional performance by PBI instructors.
