---

*The list of members of the Reynolds Plantation Builders Association is provided as a convenience only. It is an attempt to acquaint the prospective homeowner with the builders in the area, which subscribe to a certain criteria. Reynolds Plantation specifically excludes all warranties, expressed or implied, as to the financial stability, net worth, credit worthiness, or competence of the members of the Reynolds Plantation Builders Association.*

---

*Reynolds Plantation compiles certain information from applicants and makes a subjective judgment based on certain criteria as to whether membership shall be granted and maintained. In the residential construction business conditions can change rapidly and the Reynolds Plantation urges its customers and homeowners in dealing with a builder to be vigilant over the building process.
